

The introduction · A warning about AI advice

29 words · 40 syllables · ~3.5 syl/sec

Record over AC_News_Day34_intro-warning_silent.mp4

Say 'nobody can source it' energy in C without claiming the stat is false. The 6/14 and the 80% are AC's own checks (Days 28/25).

0.0s

A · HOOK

"Fourteen free tools. Six were really trials."

Loud, flat, receipts on the table. Hit 'six'.

2.6s

B · PROBLEM

"Most AI advice is an ad."

The thesis. Slow down half a step, let it accuse.

5.0s

C · PROOF

"The internet's favorite stat? No source."

Wry. The question mark does the work.

7.5s

D · RULE

"Here, no source means no post."

The law. Calm, final. Hit 'no post'.

9.6s

E · GATE

"Comment PLAIN. I'll start you."

Slowest line in the reel. A door opening, not a pitch.

ONE-BREATH CLEAN READ

Fourteen free tools. Six were really trials. Most AI advice is an ad. The internet's favorite stat? No source. Here, no source means no post. Comment PLAIN. I'll start you.

BEFORE YOU RECORD

- Record over the _silent build so the voice doesn't fight the baked SFX; a ducked mix is the alternative.
- The whole read is a warning delivered calmly. Never speed up the hook.
- PLAIN is spoken as the word, not spelled.
